Subject: Hi

Dear priti

Thank you so much for welcoming me to Nepal last week. It was a very special visit. I loved spending time with you. I enjoyed many things during my stay. I loved to scenery because I saw lots of huge mountains. I enjoyed the food because it was spicy and tasty. I liked the people because they were amazing ,friendly and helpful. Your culture was so different to mine in the UK because you have lots of Traditions.

There were two things that surprised me . The road scared me a little because they were very busy with cars, motorbikes and people.

I would definitely visit Nepal again because it was the best holiday it was the best holiday I have ever been on.

Autumn fires

In the other gardens
And all up in the vale,
From the autumn bonfires
See the smoke trail!

Pleasant summer over,
And all the summer flowers,
The red fire blazes,
they grey smoke towers.

Sing a song of seasons!
Something bright in all !
Flowers in the summer,
Fires in the fall !

Robert Louis Stevenson
